LIC Springs to Summer!

Dear Neighbors & Visitors:

Thank you for joining us for the 8th annual LIC Springs! This year the event has been reimagined as LIC Springs to *Summer!* to celebrate not just the changing of the seasons, but the reopening of our great city within NYC. It's also the first year 'Springs!' takes place across multiple days, with activations all over Long Island City, created for you by the great businesses and organizations of LIC.

Also new is the LIC Passport. This handy pocket-sized guide provides you with the details to make the most out of the festival. First up: Check out our daily social media contest to win \$25 'Yiftee' community gift cards. Keep reading to learn how to use LIC Local—our neighborhood-wide smartsign-based information platform—to stay up-to-date on everything happening around you. Then unfold our festival map to plan your day and week.

Further ahead, you'll find the events schedule and business listings, featuring all of the week's offers and activities. Make the LIC Passport your trusted companion during the festival and use it to bookmark outstanding businesses and organizations you can visit throughout the year. LIC truly is a neighborhood for everyone, where you can find everything.

Warmly,

LIC Partnership Team

LIC Partnership thanks Council Member Jimmy Van Bramer for his continued support of LIC Springs!

Long Island City Partnership

Long Island City Partnership (LICP) is the neighborhood development organization for LIC. Our mission is to advocate for economic development that benefits the area's industrial, commercial, tech, cultural, tourism, and residential sectors. The goal is to attract new businesses to LIC, retain those already here, welcome new residents and visitors, and promote our vibrant and authentic mixed-use community. LICP also operates the LIC Business Improvement District and LIC Industrial Business Zone (LIC IBZ), providing business services and assistance.

Long Island City Business Improvement District

The Long Island City Business Improvement District (LIC BID) serves a diverse and growing community. Created in 2005, the original LIC BID encompassed the commercial corridors along Queens Plaza and Jackson Avenue to Court Square. In 2017 the BID expanded to include the commercial corridors continuing along Jackson Avenue, Vernon Boulevard, and 44th Drive. Managed by the Long Island City Partnership, the BID provides supplementary sanitation, horticulture and visitor services within the District, and carries out community development and marketing initiatives that benefit the neighborhood.
